

Recognizing each child as a unique image of God, the student is the focus of Prince of Peace School. In a nurturing environment of mutual respect we nourish the mind, body, heart and soul through worship, service and academics.

Prince of Peace Families,

This Thursday, for our regularly scheduled Parent Advisory Council meeting, we will have the opportunity to have a community partner join us. Patricia Najera, a professor at UWM and the Executive Director of the Clarke Square Initiative will be with us to talk about the opportunities, support and programs available to residents of Clarke Square. This is an important partnership for POP and they have already supported several families by providing chromebooks to some of our parents. Families that do not live in the Clarke Square neighborhood, should still plan to attend because this partnership supports families beyond the Clarke Square neighborhood. Also, I am looking forward to providing some important updates for our school. I hope to see many families on March 11th at our monthly parent meeting from 6:00-7:00. Here is the zoom link: <https://setoncatholicschools-org.zoom.us/j/92879917946?pwd=THBrMDVvbW9uSXRGM3ZRQS9IRHkyUT09>

It is almost one year ago that our world changed and our lives were disrupted by the Corona virus. I recently saw a colleague present to his community that we must embrace disruptive change and turn it into productive innovation. While, the covid-19 pandemic has a profoundly negative impact on so many aspects of our lives and society, we also know that our best will be better as we have grown stronger as a community in our ability to connect with families via technology, the technology skills that both our teachers and students have acquired over the last year and our ability to lead with flexibility through uncertainty. Let me express a heartfelt thank you to our entire Prince of Peace community for the continued support and commitment to making this one of the very best schools in the city of Milwaukee.

God bless,

Mr. Krienke

God bless,

Mr. Krienke

Recognizing each child as a unique image of God, the student is the focus of Prince of Peace School. In a nurturing environment of mutual respect we nourish the mind, body, heart and soul through worship, service and academics.

Familias de Príncipe de Paz,

El próximo jueves, durante nuestra ya programada reunión del Consejo Asesor de Padres, tendremos la oportunidad de que se una a nosotros un miembro de nuestra comunidad. La Sra. Patricia Najera, profesora de UWM y directora ejecutiva de la Iniciativa “Clarke Square” ella estará con nosotros para hablar sobre las oportunidades, el apoyo y los programas disponibles para los residentes de “Clarke Square”. Esta es una relación importante para POP y ya han apoyado a varias familias al proporcionar Chromebooks a algunos de nuestros padres. Las familias que no viven en el vecindario de “Clarke Square” deben planear asistir si están interesadas, ya que esta asociación apoya a las familias más allá del vecindario de “Clarke Square”. Además, espero poder brindar importante información actualizada sobre nuestra escuela. Espero ver a todas las familias el 11 de marzo en nuestra reunión mensual de padres de 6:00-7:00. Aquí está el enlace de zoom: <https://setoncatholicschools-org.zoom.us/j/92879917946?pwd=THBrMDVvbW9uSXRGM3ZRQS9lRHkyUT09>

Esté atento al calendario escolar 2021-2022. ¡Pronto lo publicaremos!

Dios los bendiga,
Sr. Krienke
